|--|------|

You will appreciate the L-Click system on the Lina60-S luminaire with a direct light distribution, which effectively saves you both time and money. How? The module simply clicks into the profile, so a lot of work is saved during assembly. This solution also prevents the direct touch of the LED technology and lengthens its operating life. The Lina60-S lighting system can be assembled creating endless lines and a big variety of shapes. In addition to great power output, the luminaire also has a great price. It will find its use in commercial, social and public spaces.

## Technical drawing

## Curve

Luminaire power input\* 62 W

Connection of the luminaires ON/OFF + 3h emergency

Electrical voltage 220-240V

Frequency 50/60Hz

⊕ CE IP 40
