

## Luminaire

# Sant-T

132-600K-20GED/840, B

The Dutch designer Rob van Beek imbued this LED linear luminaire with an opal diffuser with a universal visage. In the Czech Republic, Sant-T was specially made for LED sources and Human Centric Lighting technology. Sant-T is especially recommended as a complementary lighting for commercial spaces.

Design Rob van Beek

## Technical drawing

|                                        |                           |
|----------------------------------------|---------------------------|
| Type of installation                   | 3 circuit track           |
| Light distribution                     | Direct-indirect           |
| Luminaire shape                        | Linear                    |
| Colour of the luminaires               | Black                     |
| Material                               | Aluminium                 |
| Lifetime                               | L80/B20 50 000 hours      |
| Warranty                               | 5 years                   |
| Description of luminaires              | Luminaire 3 circuit track |
| Dimensions<br>(l × w × h mm)           | 1130 mm × 66 mm × 92 mm   |
| Weight                                 | 3.2 kg                    |
| Light source                           | LED MODUL                 |
| DIR optical system                     | Opal diffuser             |
| INDIR optical system                   | Opal cover                |
| Luminous flux*                         | 2120 lm                   |
| Colour Temperature                     | 4000 K cool white         |
| Luminous efficacy                      | 101 lm/W                  |
