

## Luminaire

# Drob-T

177-600F-10GGE/930, B

A dimmable, tilting track luminaire, whose shape is slightly reminiscent of headlights used on vintage cars. It features highbrightness LEDs with colour rendering of  $Ra > 80$  or  $Ra > 90$ , transparent plexiglass or satin diffuser. The luminaires use adapters for the Global Track three-circuit tracks. Thanks to their minimalist design, they have lower luminous fluxes and are therefore more suitable for smaller shops with lower ceilings, such as drugstores or pharmacies. However, they can also be used in bars or less formal lobbies.
