

**Luminaire**

# Vali55-T

178-605U-10GDE/930, S

If you are looking for a really decent looking cylindrical track luminaire of small dimensions with a high quality aluminium construction and good light parameters, there is not much to think about – Vali55-T will be just for you. You will use it mainly to illuminate smaller sales areas such as showcases or a specific product. Vali55-T can also illuminate art objects and in some cases they can also be used in households. The luminaires have been fitted with adapters for the 3-phase Global Track from Nordic Aluminium.

**Technical drawing**

|                           |                           |
|---------------------------|---------------------------|
| Type of installation      | 3 circuit track           |
| Light distribution        | Direct                    |
| Luminaire shape           | Circular                  |
| Colour of the luminaires  | Silver                    |
| Material                  | Aluminium                 |
| Lifetime                  | L80/B20 50 000 hours      |
| Warranty                  | 5 years                   |
| Description of luminaires | Luminaire 3 circuit track |
| Dimensions                | ∅ 55 mm × 160 mm          |
| Weight                    | 0.5 kg                    |
| Light source              | LED MODUL                 |
| Type of optical system    | Reflector                 |
| Luminous flux*            | 1200 lm                   |
| Colour Temperature        | 3000 K warm white         |
| Luminous efficacy         | 88 lm/W                   |
| MacAdam Light source      | 3                         |
| Colour rendering index    | 90                        |

|                              |          |
|------------------------------|----------|
| Luminaire power input*       | 13.6 W   |
| Connection of the luminaires | ON/OFF   |
| Electrical voltage           | 220-240V |
| Frequency                    | 50/60Hz  |
